Shield

Kumaş ya da pileksi olarak tercih edilebilen Shield panel, yanyana oturumlar için tercih ediliyor. Yemekhaneler ve çoklu workstation modellerinde uygulanabilen Shield, portatif yapısı ile istenilen alanda kullanılabiliyor.

Shield panel, which can be preferred as fabric or plexiglass, is preferred for side-by-side seating. Shield, which can be applied in cafeterias and multiple workstation models, can be used in any area with its portable structure.
