About ersa

Ersa, since its foundation was laid in 1958 by Metin Atabey Ata in a metal workshop in Sivas, has become one of Turkey's largest furniture manufacturer with its innovative and high-quality products and exportation to 41 countries across the world. While continuing its design and innovation-oriented growth every year, Ersa celebrates the 60th anniversary of its establishment with a product range developed for workspaces as well as living spaces.

Product

Ranking as one of the largest manufacturers within the sector with its 4,5 million square meters panel boards, 500.000 linear meters of laminated panels and 530.000 pieces of furniture production capacity at the 60,000 square meters production area in Ankara; Ersa adopts an environmentally friendly and innovative production approach both in the structural features of its factory and production facilities.

60+ International Design Awards

As Ersa adopts the principle of adding a value to the future, the firm has advanced, in this context by preserving and developing its design perspective, since the day it was founded. Reinforcing its innovative, modern and developer approach to design with more than 60 national and international awards, the company maintains this vision and improves it day by day through collaborations with numerous Turkish and international designers.

Ersa views
sustainability not as
a requirement, but
as a *step forward*.

Ersa Sustainability Approach

From 1958 to today, the Ersa story approaches sustainability not as a result, but as an ongoing journey.

Going beyond form and function, Ersa considers the entire process as a whole — from raw materials and production to user experience and environmental impact. By bringing the values of the past together with the needs of today, Ersa aims to create more balanced, conscious, and livable spaces for future generations. Sustainability is an integral part of good design for Ersa.

Height Adjustable
Executive Desk

Single Desk+
Storage Unit

Designer:

Kadir Cem

Polka brings together elegant details and contemporary technology as a height-adjustable executive desk, adding a dynamic character to executive workspaces. While its natural wood veneer tabletop creates a warm atmosphere in the space, the slim metal structure rising on a single supporting leg forms a strong yet lightweight silhouette. Its smart height-adjustment system provides ergonomic adaptability to changing working positions throughout the day. With its minimal lines, refined material selection, and functional details, Polka offers a balanced harmony of prestige and comfort in executive offices.
